

# Guidelines for implementation of the *Activities for children, who are not enrolled in preschool, and their parents*

3<sup>rd</sup> international training:

*Activities for children, who are not enrolled in  
preschool, and their parents*

Ljubljana, Slovenia

May 9-13, 2016

# DEVELOPED AT THE INTERNATIONAL TRAINING IN SLOVENIA:

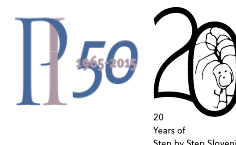

- **Activities should include the whole family; not children only, but also parents** (parenting; empowerment, ...)
- **Build on families's needs, interests, skills, expectations**
- **Break the prejudices and stereotypes in the majority population**
- **Intersectoral collaboration** (social services, Romani community, municipality, volunteers)
- **Inclusive approach** (multicultural groups; inclusion of representatives with the same ethnical and cultural background; first language)
