

**Children with mental or physical disabilities
and their families are entitled to special aid
and assistance.**

**Parents should prepare children
for independent living.**

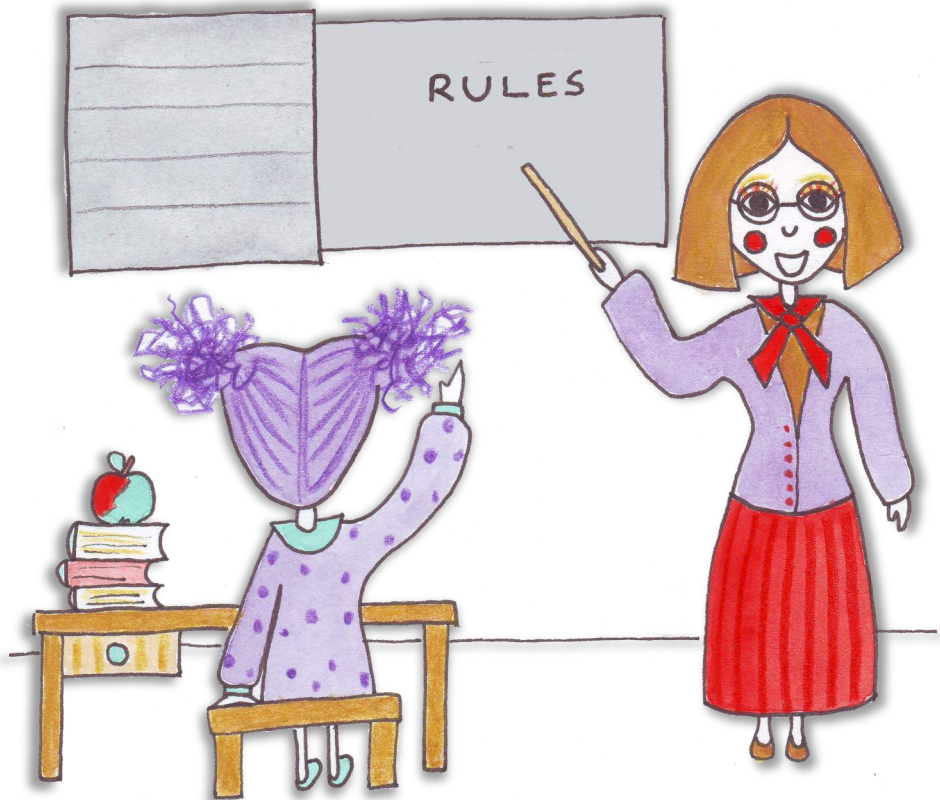

**Every child has the right to
quality education.**

Parents are obliged to ensure that the child:

- ✓ from the age of five attend kindergarten or preparatory class at school;
 - ✓ from seven years go to school and graduate at least 9 classes.
-

The child has the duty to learn and to observe the internal rules of a school.
