

Every child has the right to a healthy environment.

Every child has a duty to preserve the environment.

Every child has the right to healthy food.

Every child can rest in spare time – to play, sing, dance, do sports and take part in other activities outside of school.

**Every child has the right to know and
preserve their nation's culture and
mother tongue.**

The child must be protected from cruelty. Everyone has the right to seek help if he or she is wounded.
